

COURAGE TO GROW

LEADERSHIP OPPORTUNITIES

"The ECWC has been a place of comfort, smiling faces, warm hugs, and special connections with new people. A place where I can be vulnerable with others who care about you as a person." - Andrea

10 YEAR NAMING RIGHTS

Every room has a story...
Where someone finds a friend who can relate.
Where families learn to breathe again.
Where survivors regain strength.
Where caregivers finally exhale.

Sponsor a place where healing happens.

"ECWC is so welcoming you feel like family as soon as you enter the front door. It has made a terrible experience tolerable and it lets you learn so much from others who have experienced the same experience. I'm so glad I finally had the courage to come in and see what it offered because it has given me so much in so many ways. It has been a Godsend." -Linda
